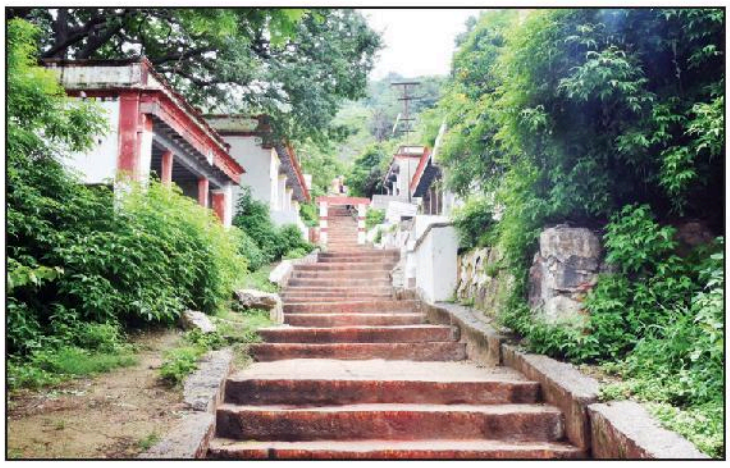
Protective mesh fence around Chamundi Hill

Railings to be installed on both sides of hill steps

Mysuru, Feb. 26 (RKB&BCT)- A mesh fence will be erected to demarcate forest boundary atop Chamundi Hill. The fence will ensure that there is no threat to Chamundi Hill and its fragile ecosystem from encroachers.

This will also prevent wild animals from entering human habitat in the Hill surroundings.

A decision to this effect was taken at the District Development Coordination and Monitoring Committee (DISHA) meeting held at Zilla Panchayat Hall yesterday that was chaired by Mysuru-Kodagu MP Pratap Simha. Along with the protective fence, the Hill steps will get railings on both sides for the convenience of the devotees.



The Forest Department was asked to take steps to fence the areas around the Hill so that there is no further encroachment. Forest officials told *Star of Mysore* that Chamundi Hill Forest is presently protected as a Reserved Forest by the Karnataka State Forest Department.

In 2019 itself, the Department had proposed chain-link mesh fencing of the entire stretch to prevent entry and exit of people through the forest area.

Hazarath Khwaja-ki-Chatti Shariff held in city

Mysuru, Feb. 26 (KS)- Hazarath Khwaja Garibun Nawaz Chishti Ajmeer Shariff, Rajasthan, was held at Asthana-e-Khwaja in Ghousianagar, during which Alam Kushaee, Garibun Nawaz conference was held. Several Mushaeeqin and Ulmas spoke on the life of Hazarath Khwaja Garibun Nawaz and Azmath-Aowliya-Allaha.

Fateha Khani and Langar Tabruk was held and prayers were offered for the eradication of diseases from the globe. Mehfil-e-Samaa Khani was held in the evening.

A large number of devotees participated. Guests Hazarath Khwaja Balhar Ali Sha Chishti Saheb, Burhan Sha Khadree, Sri Basavalinga Swamiji, Naveed Sha Khadree, Azeez Ulla Sha Chishti, Nasrulla Sha Khadree, Dr. Hakeem Roshan Sha Khadree, Mehboob Ulla Sha Chishti, Khwaja Gowher Ali Sha, Atha Ali Sha Chishti, Moyeen Ali Sha Chishti, Zubair Ali Sha Chishti, Haji Ali Sha Chishti and others spoke on the occasion.

The staff and students of Astana Khwaja Darul Uloom Hazarath Tipu Sultan Faizan Garibun Nawaz Arabic Madries, presented mementos to guests. Hazarath Khwaja Azeem Ali Sha Chishti Saheb addressed the gathering and also proposed a vote of thanks.

EDITOR'S BOTTOMLINE

Bunny had a very special birthday this week, and she was very excited about it, as was I. What was special about her birthday was that the date of it read the same forwards and backwards — February 22, 2022, or 22.02.2022 — a boomerang number that loops right back where it begins. Such numbers are very rare, coming as they do every once in a long while. The next such number is going to be February 03, 2030.

Such numbers are palindromes, a word derived from the Greek 'to run back'. Bunny doesn't believe in numerology, or lucky numbers, but she was still pleased as punch at receiving a palindrome as a surprise birthday present, a reminder that time is a two-way street of before and after, with memory being the flyover connecting the two.

Palindromes are fun, whether they're numeric or verbal. The most common palindrome in India is perhaps Malayalam.

One of the best-known palindromes is associated with Napoleon: 'Able was I ere I saw Elba', which was coined in 1848 by an anonymous wordsmith, as was 'A man, a plan, a canal – Panama', coined a century later.

You don't have to be a celebrated author or a computer whizz to create your own palindromes to share with friends, and invite them to share theirs with you, in an exchange which might be called 'Pals lap', which is a palindrome.

— Jug Suraiya in The Times of India

NEWS SPARKLERS

Startup uses space-age tech to create meat

New York: Creating meat literally out of thin air sounds like technology you'd only expect to see in sci-fi movies, but according to Air Protein, it's very real and viable.

Air Protein, the startup behind the air-based meat project, was co-founded by Dr. Lisa Dyson, an award-winning research physicist and strategy consultant, with the goal of producing meat alternatives. Such plant-based meat alternatives like Impossible Foods or Beyond Meat are all the rage these days and touted as the sustainable future of the meat industry, but Air Protein is taking sustainability to a whole new level with its air-sourced proteins. They are basically relying on a bunch of microbes capable of converting CO_2 into amino-acids, with the final product being a protein-based flour that can be used to make a bunch of meatless products.

Strawberry breaks World Record

Tel Aviv: An Israeli farmer earning an Guinness World Record when he harvested a massive strawberry that weighed 10.19 ounces.

Guinness said Ariel Chahi, whose family owns the Strawberries in the Field business in Kadima-Zoran, Israel, holds the record for the world's heaviest strawberry after his enormous fruit weighed in at 10.19 ounces, beating the previous record of 8.82 ounces. The strawberry is of the Ilan variety, which was first bred by Nir Dai, a researcher from the Israel's Agricultural Research Organisation. Dai, who was among the witnesses at the weighing of Chahi's strawberry, credited the strawberry's size to unusually cold temperatures in January and February.

"The strawberry developed slowly for more than 45 days from flowering, which caused its large size at full ripening stage," Dai told Guinness.

HEALTH CAPSULE

Double Vision: Seeing two images of the same object. Cause is paralysis of eye muscles or the nerves which control the eye movements. Causes can be-thyroid diseases. Stroke, Diabetes, brain tumors, head injury, bleeding, or infection in brain. Treatment depends on the cause of double vision.

VOICE OF THE READER

Barricades reinstalled near GRS junction

Sir,

I had written in this column about Ring Road accidents and the need for reinstalling the barricades at certain vantage and crucial points on Outer Ring Road in January 2022.

Now the authorities concerned have responded quickly and have erected barricades *(see picture)* indicating it as 'zero tolerance zone' stop and proceed, from the GRS junction till Belavatha junction, which is a good move. I would like to thank *SOM* for publishing the letter and also the authorities for their swift action.

—Vijay Hemmige

POSITIONAL VERTIGO OR GIDDINESS – IS THERE A SOLUTION?

Positional giddiness is one of the most common causes of vertigo we come across in our ENT practice, which if diagnosed and treated can improve the quality of the life in patients. Positional vertigo is a sudden sensation of spinning usually brief lasting for a few seconds to minutes, triggered by changes in heads position. It could be mild to severe, sometimes associated with vomiting, lightheadedness, unsteadiness and loss of balance. It is rarely serious unless it increases the risk of falling and impairment in the performance of daily activities. BPPV occurs when tiny calcium carbonate crystals in the inner ear break loose and fall into the wrong part of the vestibular system of the inner ear, this stimulates the nerves that detect head rotation causing giddiness, this can happen because of injury, infection or in the elderly, being in the hospital or on bed rest at home for a long time.To relieve positional vertigo a short, simple and effective outpatient procedure called canalith repositioning manoeuvre is done by an ENT specialist or vertigo specialist. Despite its frequent occurrence and effective treatment options positional vertigo remains underestimated in the community, therefore patient enlightenment and reassurance are the vital constituents of positional vertigo management

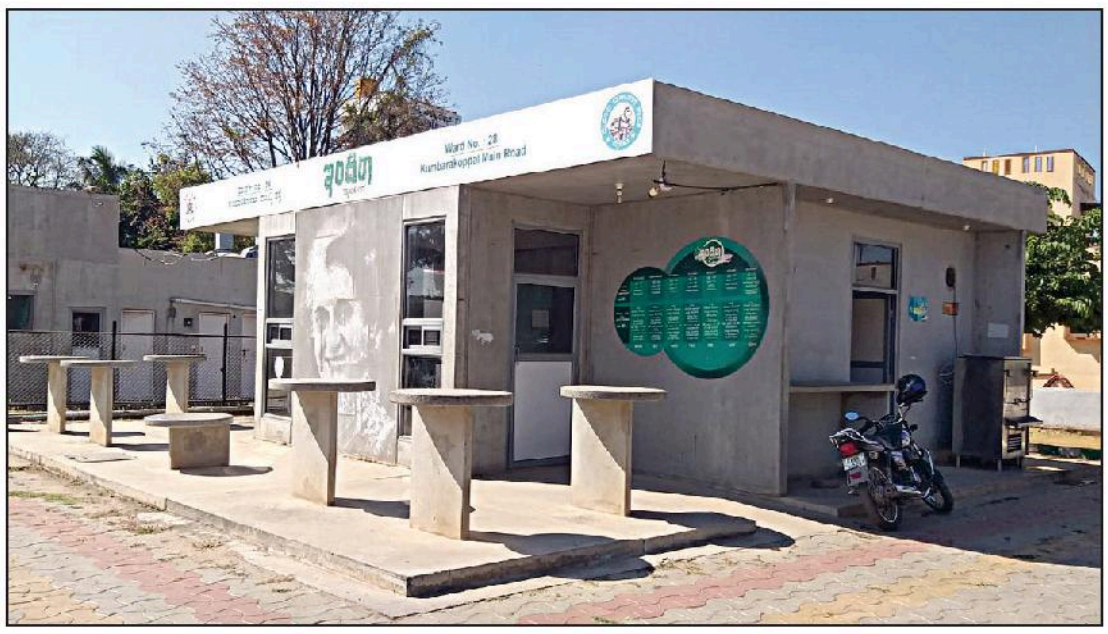
INDIRA CANTEEN REALITY CHECK - 3

Number of customers come down to 50 from 300 at Kumbarakoppal



Mysuru, Feb. 26 (RKB&BCT)- Like the Indira Canteens at K.R. Hospital premises and on Jodi Thenginamara Road, this Indira Canteen at Kumbarakoppal was established primarily to cater to the needs of poor people who come to various hospitals on KRS Road.

The KRS Road is a home to many hi-tech Government Hospitals that cater to the needs of poor population, especially Sri Jayadeva Institute of Cardiovascular Sciences & Research, PKTB Hospital, Ayurveda Hi-Tech Panchakarma Hospital and the ESI Hospital.

Soon after the canteen was established, it received a good response, probably due to the initial hype. Many poor people flocked the canteen for breakfast, lunch and dinner. Though the dinner crowd was less as a majority of the population would reach their homes, there was a substantial crowd for breakfast and lunch.

Attendants of patients who used to visit various hospitals for treatment used to come to this canteen and many of them even used to say that the food here was way better and cheaper than the hospital canteens. But now, there are not many takers to the food here and the initial enthusiasm has waned.

Now as the population is fewer, even the food quantity has been reduced to prevent waste. Earlier, over 250 to 300 people used to have food daily and that has come down to 50. Only 150 idlis come now for breakfast and over 15 kg lemon rice is brought here. Lunch too has been reduced to 15-kg rice and sambar.

Despite the less quantity of food supplied here, food still gets wasted and it is returned to the centralised kitchen. According to the residents, more care must be taken by the canteen managers towards cleanliness and a makeover of the interiors.

"A place to consume food must be appealing and this appeal is not there here. If the Mysuru City Corporation (MCC) takes more interest, then this canteen will see more people," said a resident.

Regulars have also complained about the declining quality of the food. Curd rice, especially, has invited adverse comments as it tastes like rice gruel mixed with a little curds and rice.

The electric water heater that is used to boil water to wash the dishes does not work at the Kumbarakoppal Indira Canteen. Consequently, there is no hot water to wash the dishes and this has caused hygiene concerns as cold water is being used for the purpose.

Also, the CCTV cameras installed here do not work. Normally, all the Indira Canteens have such cameras. Though there is a monitor to screen the visuals captured in the cameras, visuals do not appear as the motherboard has been taken away.

Fence around Chamundi Hill

(Continued from page 1)

The Department has already fenced the foothill area at Tavarekatte, said officials. The overall Chamundi Hill Forest area is 1,516 acres.

The DISHA meeting raised concerns over unbridled urbanisation of the landscape which is not only a lung space for the city but is also an important watershed. There is a threat of urbanisation at the foothill and there is rampant construction activity at the Hilltop which is eroding the green cover.

Railings on steps

MP Pratap Simha also said that railings would be installed on the 1,008 steps leading to Chamundi Hill, to help devotees and tourists climb the steps.

The railings will be installed on both sides of the steps under the Pilgrimage Rejuvenation And Spiritual, Heritage Augmentation Drive (PRASHAD) Scheme, he said.

Speaking at the meeting, Deputy Conservator of Forests (DCF) Kamala Karikalan said that the Forest Department had already dug up pits at several places on the Hill for 'Ingu Gundi' (where rainwater is collected in small pits for recharging groundwater) and a project will be prepared to dig more such pits.

Intervening in the discussion, Deputy Commissioner Dr. Bagadi Gautham suggested that instead of digging up pits enmasse, it can be taken up scientifically after consulting Agriculture Department and Minor Irrigation Department officials. Works could be taken up under Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA), he suggested.

Green activists mislead people: MP

Pratap Simha

During the discussion on fencing and protecting Chamundi Hill, MP Pratap Simha charged certain environmental activists for what he called misleading people in connection with the development of the Chamundi Hill.

"These people have not visited the Chamundi Hill even once and they unnecessarily create issues whenever the Government takes up development activities atop the Hill. Even if a small landslide occurs atop the Hill, activists project as if the whole Hill has collapsed. These people have no concern for the Hill and have no idea about hill stations. Rather they should visit Chikkamagalur and Kodagu for a better understanding of the landslides," he said.

College student goes missing

Mysuru, Feb. 26 (ASC)- A college girl, who left her house on Feb. 22 at about 7.30 am saying that she was going to the college, has since gone missing, according to a complaint lodged at Mysuru South Police Station.

The missing girl is K.V. Namrata, a diploma student of JSS Women's Polytechnic College in SJCE Campus.

She is 5.5 ft tall, oval faced and oily red complexioned. She was wearing a cream coloured top and pink pant at the time of going missing.

Those having any information about the missing girl, may contact the Superintend of Police (SP) office on Ph: 0821-2520040 or District Police Control Room on Ph: 0821-2444800 or Mysuru South Police Station on Ph: 0821-2444955, according to a press release from the Inspector, Mysuru South Police Station.

Pulse Polio drive tomorrow

Mysuru, Feb. 26 (PM&KS)- Pulse Polio Immunisation drive will be held tomorrow and the District Administration has set a target of administering the drops to 2,46,191 children below the age of five years in the district.

The District Administration has established 332 booths in Mysuru City, 146 in Mysuru Rural, 818 in T. Narasipur, 214 in Nanjangud, 202 in H.D. Kote, 213 in Hunsur, 156 in Periyapatna, 176 in K.R. Nagar. There are a total of 1,620 booths in the district and a total of 6,604 volunteers under 332 supervisors will take part in the Pulse Polio drive. Thirty Transit Booths and one mobile team are also being readied.

A total of 953 places in the district including 88 places in Mysuru city, 43 in Mysuru Rural, 83 in T. Narasipur, 185 in Nanjangud, 284 in H.D. Kote, 105 in Hunsur, 59 in Periyapatna and 106

2,46,191 children to receive Polio drops in district

in K.R. Nagar have been identified as most sensitive areas and preparations are made to conduct the drive in these places.

Meanwhile, the Health Department and the District Administration have appealed to the parents to take their children (below five) years and get the polio drops administered to them at their nearest polio booth.

Pointing out that the polio vaccine is safe, the parents are urged not to listen to rumours but get their children vaccinated.

While the polio drops would be administered to children in booths on Feb. 27, polio vaccination teams will visit every house on Mar. 1 and 2 and will administer polio drops to children who have not taken it. Even if children are administered polio drops earlier, they should take the drops again.

The District Administration has urged the parents to co-operate and follow COVID precautionary measures such as wearing face mask, maintaining social distancing and using sanitisers to keep their hands clean. Parents have been urged not to crowd near polio booths.

Admission to Old Age Home

Mysuru, Feb. 26- Vatsalya Seva Foundation, Hinkal, has invited applications for admission to its Old Age Home. The Home serves elderly homeless people, women and other needy by providing facilities like regular health check-up, yoga and meditation training. For details, contact the Foundation on Mob: 99643-33796 or 96118-81855.

COVID gone, flex-banners back with a bang in city

Take action even on BJP leaders if they have violated rules: Pratap Simha

Mysuru, Feb. 26 (RKB&BCT)- The District Development Coordination and Monitoring Committee (DISHA) meeting held at the Zilla Panchayat Hall under the chairmanship of Mysuru-Kodagu MP Pratap Simha discussed the issue of flex and banners all over Mysuru city and district, especially by political party leaders and their supporters.

Directing the official machinery not to spare anyone if they have violated rules, the MP asked them to book BJP leaders and workers first in case they have disfigured the public places. "Initiate action against people, organisations, and political parties if they deface public places by displaying flex and banners. Issue notices to the BJP first, if they have violated norms," he directed.

Pandemic halts activity

After a gap of over two years, flex and banners are back with a bang in the city and also in the areas surrounding the city. The COVID pandemic that began in 2020 had applied brakes on this industry and now with the third wave petering out, flex and banners are being witnessed at almost every nook and corner.

Pratap Simha instructed Deputy Commissioner Dr. Bagadi Gautham and Mysuru City Corporation Commissioner (MCC) G. Lakshmikantha Reddy to crack down on the current practice of hoisting life-size banners and buntings containing images of local political leaders.

While the MCC should crackdown in its jurisdiction, the District Administration should ensure that the outskirts are flex-free, the MP said.

Come festivals, birthdays of politicians and local leaders or conventions by political parties, groups and communities, Mysuru is completely overrun by flexes and banners in every nook and corner of the city or a particular area. These flexes unanimously take over the city including trees, electricity poles, road dividers, medians, and even pedestrian tracks.

Big, colourful cut-outs of politicians and their kin, glorifying their birthdays or putting up huge posters to welcome leaders on any occasion, are common. Colourful flex boards are seen fluttering around everywhere on a regular basis, at prime areas like traffic signals and over the medians on the busy highways. Such larger than life-size cut-outs and banners divert the attention of motorists, causing accidents.

Though the MCC receives numerous complaints on city defacement, the civic body has not taken any action in this regard. Under The Karnataka Open Places (Prevention of Disfigurement) Act 1981 and The Karnataka Municipalities Act 1964, a person can be sent to six-month imprisonment and a fine of Rs. 1,000 can be levied, he noted.

Lakshmikantha Reddy said they have issued notices to a few persons in this connection but this has not discouraged them from continuing with the practice.

Oxygen plants

Directing the District Health Officer Dr. K.H. Prasad to ensure that all the oxygen generation plants are maintained in a fully-functional mode at all times, the MP said that of the 17 sanctioned plants, 15 were functioning and two were in the process of being set up. Zilla Panchayat Chief Executive Officer B.R. Poornima and other officials were present.

Officials pulled up for asking bribes from the poor

The MP directed officials to handover the houses constructed for migrant families at Ekalavya Nagar under NURM scheme by March 15. Unauthorised people are residing in the houses and thus they should be vacated immediately, he said.

Of the 1,070 constructed houses, only 580 were handed over to beneficiaries. Beneficiaries have been identified for the remaining houses and they will be distributed soon, said an officer. Intervening, the MP said that certain officers were demanding bribes from the beneficiaries for allotment of houses.

"Such officials should be ashamed. There are many middlemen and the officials are encouraging them. Are you not ashamed of asking bribes from poor people who have been given houses by the Government," he asked.

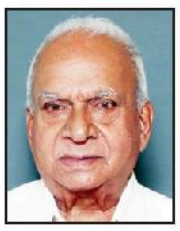
BJP to stage Statewide protest against Congress on Feb. 27 and 28

Bengaluru, Feb. 26- Accusing the Congress Party of wasting the Legislature Session and playing petty politics over non-issues, the ruling BJP will stage a Statewide protest against the Opposition Party on Feb. 27 and 28. Announcing this at a press meet here on Thursday, State BJP General Secretary N. Ravikumar said that the BJP will stage a massive demonstration on both days against the Congress for its anti-people, pro-naxal, pro-separatists stance and other such policies which are against the interests of the nation.

Charging the Congress of wasting precious time of the Legislature Session by resorting to day-night dharna, instead of discussing issues that are bothering the State, Ravikumar wondered why Congress leaders could not find time to visit slain Hindu activist Harsha's residence at Shivamogga. He also accused the Congress of toeing anti-Hindu line by celebrating Tipu Jayanti, while forgetting Hindu leaders such as Savarkar and Dr. B.R. Ambedkar.

Obituary

C. Sheshachalam



C. Sheshachalam (96), Proprietor of Greens Hotel on Sri Harsha Road and a member of Mysore Race Club (MRC), passed away here yesterday.

A resident of Bazar Street in Nazarbad, he was one of those members who strived for the growth of MRC.

He leaves behind wife Premakumari, sons Mohanram and Murali, daughter Nalini and a host of relatives and friends.

Last rites were performed at the foot of Chamundi Hill this afternoon, according to family sources.

M.V. Surendrakumar

M.V. Surendrakumar (88), a resident of Anikethana Road in Kuvempunagar, passed away here yesterday.

He leaves behind two sons, a daughter and a host of relatives and friends.

Last rites were performed today, according to family sources.

Alijanab Mohammed Ali Saheb

Alijanab Mohammed Ali Saheb (69), a Cloth Merchant at Mandi Market, passed away yesterday afternoon following brief illness at a private hospital in city.

He is survived by wife, two sons, four daughters and a host of relatives and friends.

Namaz-e-Janaza was held on Friday. Moghreeb in Masjid-e-Azam, Markaz Ahle Sunnath Jamath, Ashoka Road followed by burial at main Khabrasthan behind Mysuru Jail.

A.B. Siddalinga Shetty

A.B. Siddalinga Shetty (84), former Village Chairman of Attigodu village in Periyapatna taluk, passed away on Friday.

He leaves behind three daughters and a host of relatives and friends.

Last rites were performed at his native village yesterday.

Shivanna

Hunsur: Shivanna (Radio Shivanna), a resident of Ranganatha Layout in Hunsur town, passed away here on Friday. He was 70. He leaves behind wife, three sons and a host of relatives and friends.

Last rites were performed at his native village Naganahalli in the taluk this afternoon.

Siddaraju

Chamarajanagar: Siddaraju (33), an agriculturist and a resident of Kudlur village in Chamarajanagar, passed away last night.

He was hospitalised 15 days ago following a road accident.

He leaves behind his parents Kunnashetty and Chinnamma, pregnant wife N. Uma, son S. Chirag and a host of relatives and friends.

Last rites were held at Kudlur this evening.

Election to Journalists body tomorrow

Mysuru, Feb. 26 (MTY&DM)- The election to elect office-bearers and the State Executive Committee members of Karnataka Union of Working Journalists (KUWJ), will be held tomorrow (Feb.27).

Announcing this at a press meet here yesterday, Bannur K. Raju, Returning Officer, said that the polling will take place at Mysuru District Journalists Association (MDJA) Office on Thyagaraja road in city from 10 am till 3 pm and counting of votes would be taken up at 3.30 pm.

Pointing out that three candidates from MDJA are contesting for one seat for the State Executive Committee, he said that six office-bearers of KUWJ (President, General Secretary, Treasurer and three Secretaries) have been elected unopposed and the polls will be held only for three posts of Vice-President, for which four candidates are in the fray.

Bannur Raju further said that 436 out of 456 members of MDJA are eligible to cast their ballots, while 20 associate members and honorary members do not have voting powers. Barring the voters, no others will be allowed inside the polling booth, he said adding that all arrangements have been made to ensure that no confusions arise during voting.

India begins evacuation of students from Ukraine

30 stranded from Mysuru; Call District Helpline 0821-2423800, 1077

New Delhi, Feb. 26 (Agencies)- Finally, stranded students from Chernivtsi in Ukraine, who were studying medicine at the Bukovinian State Medical University, have started their journey back to India through the neighbouring country Romania.

India is carrying out evacuation of its nationals stranded in Ukraine and the first batch of Indian students left Chernivtsi in a bus for the Ukraine-Romania border. The Embassy of India in Kyiv announced that the evacuation was being organised with the joint effort of the Indian embassies in Romania and Kyiv.

A Ministry of External Affairs official said those travelling from Ukraine have reached Romania and they will be evacuated from Bucharest. The Indian embassy in Ukraine today advised its citizens not to move to any of the border posts without coordination with its officials.

"The situation at various border checkpoints is sensitive and the embassy is working continuously with our embassies in our neighbouring countries for coordinated evacuation of our citizens," the Indian embassy in Ukraine tweeted this morning.

The embassy said that it's finding it "increasingly difficult" to help Indian nationals who reach border checkpoints without prior intimation. "Staying in western cities of Ukraine with access to water, food, accommodation and basic amenities is relatively safer and advisable compared to reaching border checkpoints without being fully abreast of the situation," the embassy said.

India has sent Government teams to Ukraine's borders from Hungary and Poland to evacuate the citizens who are still stuck in the country. The officials are travelling via land, as the Ukrainian airspace has been closed amid an onslaught by the Russian military.

A total of 30 persons from Mysuru district are stranded in the war-torn Ukraine, according to the State Disaster Management Authority. Mysuru District Administration has opened a Helpline (0821-2423800, 1077, 98458-52481) and also appointed a Nodal Officer to supervise the situation.

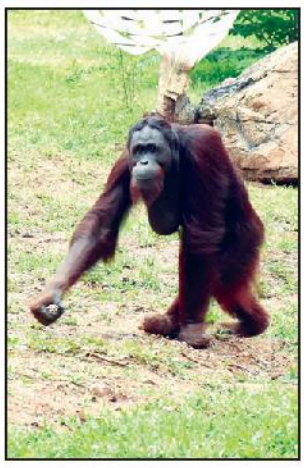
Zoo orangutans to get another enclosure

Mysuru, Feb. 26 (BCT)- The foundation stone was laid yesterday to build enclosures for orangutans at Sri Chamarajendra Zoological Gardens, famous as Mysuru Zoo. The enclosures will cost Rs. 1 crore and Bank Note Paper Mill India, Mysuru (BNPM) has come forward to bear the costs.

In a press release, Zoo Executive Director Ajit Kulkarni stated that BNPM came forward to donate Rs. 99.20 lakh under its Corporate Social Responsibility (CSR) initiative. The enclosures will be built to encourage the captive breeding of the primates and also to introduce a new bloodline.

The Zoo had received two pairs of orangutans from Singapore and Malaysia last year under the International Animal Exchange Programme. While 17-year-old male Merlin and 13-year-old female Atina arrived from Singapore Zoo, five-year-old male Afa and 7-year-old female Minnie were brought from Malaysia Zoo. In exchange, the Mysuru Zoo gave two pairs of giraffes.

At present, all four primates have been housed in one enclosure which was again built with funds donated by the BNPM last year. BNPM had contributed a sum of Rs. 70 lakh under its CSR initiative for this..



Zoo Authority of Karnataka Chairman Mahadevaswamy, BNPM Managing Director K.G. Vishwanathan, General Manager K. Dharani Kumar, Managing Director Ananta Hegde, General Manager (HR & Admin) Abhaya Kumar Mahapatro, Company Secretary Lakshmisha Babu, Dy. Manager-Civil S.A. Raghavendra, Zoo Authority of Karnataka member Gokul Govardhan and Jyothi Rechanna and others took part in the function.

Annual CAVA Mela & Art Expo

Display and sale of a variety of art works to conclude tomorrow

Mysuru, Feb.26 (MTY&DM)- The two-day annual CAVA Mela (2021-22) began at the College campus (German Press premises) in Siddarthanagar here yesterday.

Speaking after inaugurating the Mela, Mysuru City Corporation (MCC) Commissioner G. Lakshmikantha Reddy said that he came from a science background and as such he has little knowledge about art and artworks.

Noting that he came to know much about CAVA (Chamarajendra Academy of Visual Arts) after joining Government service, Reddy said, he was mesmerised to see the range of artworks that are on display here.

Maintaining that every art work here was a product of creativity, he said that he felt happy to inaugurate the event.

"I will come again in a couple of days and interact with the staff and students," he added.

Vijayrao, In-charge Dean of CAVA and Head of the Department of Art History, in his address, recalled the journey of the Mela since it was first launched in 2004.

Pointing out that the annual CAVA Mela took off after Kishore Bolwar, a student then, suggested holding of the Mela on the lines of the one that is held in Baroda and other places, Vijayrao said that the Mela got off to a start in Mysuru in 2004 out of the seed money instituted by the students.

Asserting that the Mela is being organised every year since then without any Government funding, he said that the Mela which used to be held during Dasara, got delayed this year due to COVID pandemic and other factors.

Chronicling the growth of CAVA over the years, Vijayrao said that CAVA has now become a household name for its innovation in art and artworks.

He further said that the Mela, organised with the theme 'Scaffold' will be open for public from 12 to 6 pm today. However, there will only be display of artworks on Feb. 27, he added.

College faculty Jayashankar, Bindurai Biradar, Chandrashekar and others were present.

The event features display and sale of a variety of art works, paintings, drawings and sculptures. For further details, contact Ph: 0821-2438931.

Muktaka Sahitya Academy Award to be conferred tomorrow

Mysuru, Feb. 26 (RKB&DM)- DVG Muktaka Sahitya Academy Award will be conferred at a programme organised by Karnataka Muktaka Sahitya Academy Trust as part of its 22nd anniversary at Sri Nadabrahma Sangeetha Sabha on JLB Road in city at 5 pm tomorrow (Feb. 27).

Announcing this at a press meet here on Thursday, Academy President Rajashekar Kadamba said that writer K. Jayaprakash Rao will confer the award on writer and columnist from Sakaleshpur S. Lalitha.

Achievers from different fields — Prof. K. Bhyravamurthy (Literature), Scholar R.S. Nandakumar (Music), C.S. Mangalamma (Columnist), M.R. Anand (Sahitya Dasoha) and Jayalakshmi Sampatkumar (Editor of *Sudharma* Sanskrit Daily) will be felicitated on the occasion.

University of Mysore Vice-Chancellor Prof. G. Hemantha Kumar will inaugurate the programme, he said adding that District Kannada Sahitya Parishat President Maddikere Gopal and Trust's Hon. President S. Ramprasad will be present.

Pro Kabaddi League - 2022

Delhi creates history, wins final by a whisker

Bengaluru, Feb. 26- Dabang Delhi KC clinched the Pro Kabaddi League (PKL) Season 8 trophy by eking out a close 37-36 win over Patna Pirates in the summit clash yesterday.

Delhi's star raider Naveen Kumar (13 points) and all-rounder Vijay (14 points) secured Super 10s as they overcame a tough challenge from three-time champions Patna Pirates.

Patna had an uncharacteristically poor night in the defence with the likes of Mohammadreza Shadloui and Sunil committing far too many errors.

The Pirates, however, had a chance to level the scores in the final move of the match, but Naveen evaded the defenders to cross the baulk line and win Delhi their first PKL trophy.
